THE FORUM EPFL - 43RD ANNIVERSARY

In October 2025, the Forum EPFL will celebrate its **43rd anniversary** and remains one of the biggest job fairs in Europe, improving its services on a yearly basis. The Forum's goal is to facilitate the students' transition between studies and the labor market by offering companies a privileged window to present themselves to the students.

Quality and professionalism are fundamental pillars that drive the 20 committee members to provide services worthy of the Forum EPFL. Once again, the Forum EPFL will take place at the SwissTech Convention Center (STCC), an ultra-modern convention center located in the center of EPFL's campus, giving a perfect setting for companies and students to meet. Every year, we thrive to improve our services, taking into account satisfaction surveys and comments from previous years.
