In 1982, the EPFL counted four times fewer students than today. However, an association was already being created within its environment, aware of the challenges arising at the end of the 20th century. 40 years later, that same association has grown while still staying focused on its initial objective: making the Forum EPFL, a catalyst for fruitful career meetings, between students and the professionals who shape our environment, between the EPFL and the rest of the world, between present and future.

From its humble beginnings, the Forum EPFL has become the largest recruitment fair in Europe since 2019. It is a unique occasion for future graduates to start building their network, to interact with professionals and to get a feeling of the life that awaits them outside the walls of their university. Our fair is a key opportunity for companies to recruit students directly on the campus.

As a student organization, the Forum EPFL could not exist without its partners. Supporting us does not only lead to share an unforgettable experience, it also gives you the opportunity to increase your visibility and reputation in Switzerland and in Europe through this highlight of the professional world.

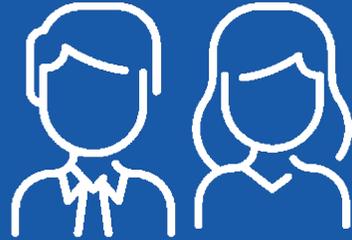

We would be deeply honored to count you among our partners for this 2026 edition of the Forum EPFL.

The EPFL, a breeding ground for talents

Among World's top universities.

10th in the 2025 QS World University Ranking.

More than 11,000 students.

Of which 50% are in master's programs.

An ecosystem in favor of entrepreneurship.

1 start-up created on average per month at EPFL between 2000 and 2024.

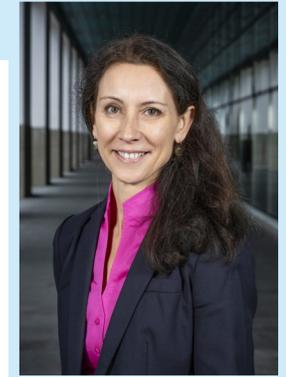

A university turned towards the world.

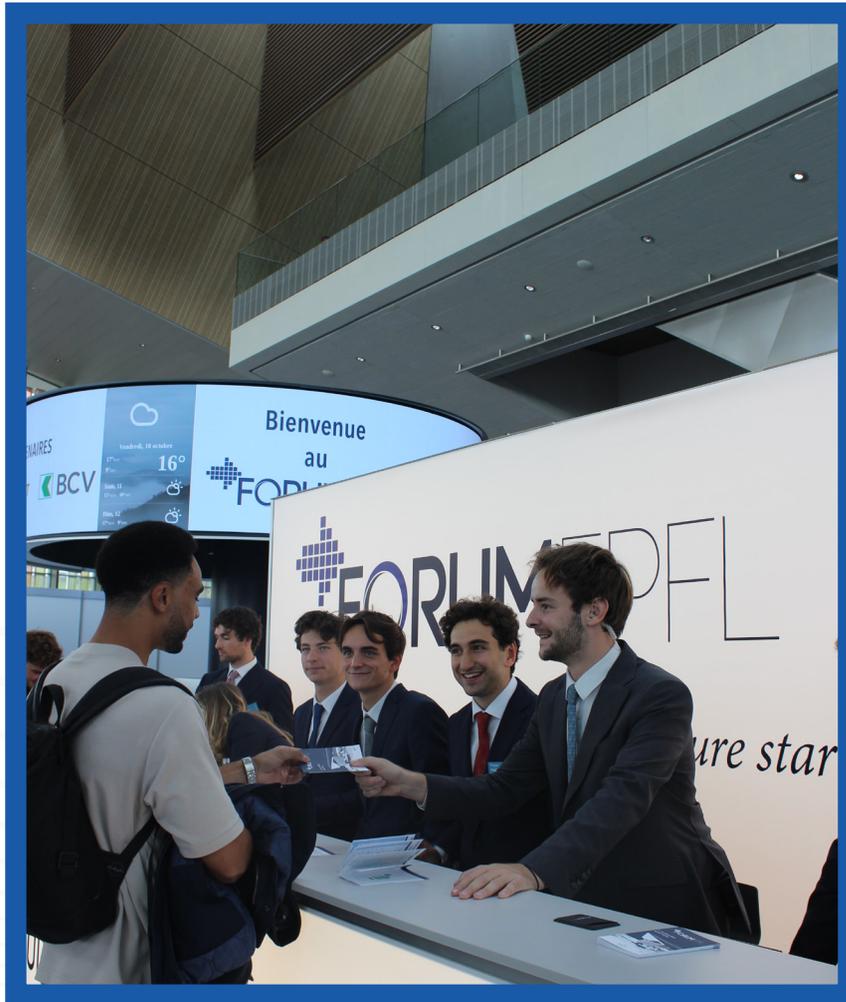

120 nationalities and 50% of foreign students.

Companies are successful if they have access to talent. EPFL is a place where such talent is created.

Anna Fontcuberta i Morral, President of EPFL

About the Forum EPFL association

Who are we?

- **20 voluntary students** working throughout the year to organise this event.
- An organisation with **43 years of experience**, which has grown to become **a key event for recruitment in Switzerland**. Proof of this ever-growing desire to provide a quality service, the association is certified ISO 9 001, for quality management.
- An association that is deeply committed to the **environmental cause**. The association is certified ISO 14 001 for environmental management.

Our heritage:

The Forum EPFL is an EPFL student association with a great history. Initially taking place in the corridors of the campus, the Forum EPFL now stands in the SwissTech Convention Center and has become one of the most renowned recruitment fairs in Europe. This development would not have been possible without the commitment of the many volunteering students that were part of the various committees. All members of the Forum EPFL strive to make the experience of this exhibition unique.

Aware of our responsibility to our history and heritage, we commit ourselves each year to perpetuating the excellence that this institution embodies.

Why is the Forum EPFL a unique opportunity?

Why should you sponsor us?

- Increase your visibility throughout the year within the EPFL student community.
- Associate your image with a world class recruitment event.
- Strengthen the link with EPFL institutions.
- Benefit from privileged exposure at the event to gain visibility with a young, dynamic and cosmopolitan public.
- Benefit from numerous advantages during the event in order to differentiate your company from the other ones present at the event.

Our commitment:

Our goal is to allow students to get familiar with the professional world, to start building their business network and to benefit from advices that help them integrate their future professional life.

However, organizing such an event couldn't be done without solid help from our partners. Hereafter are presented our different sponsoring offers.
