One of the best technical universities in Europe (10<sup>th</sup> worldwide at the QS World University Ranking 2025)

High quality education in all the engineering fields

More than 11'000 students

An international school with 120 different nationalities represented and more than 50% of foreign students

*EPFL Campus - Lausanne, Switzerland*

In October 2026, the Forum EPFL will celebrate its **44<sup>st</sup> anniversary** and remains one of the biggest job fairs in Europe, improving its services on a yearly basis. The Forum's goal is to facilitate the students' transition between studies and the labor market by offering companies a privileged window to present themselves to the students.

Quality and professionalism are fundamental pillars that drive the 20 committee members to provide services worthy of the Forum EPFL. Once again, the Forum EPFL will take place at the SwissTech Convention Center (STCC), an ultra-modern convention center located in the center of EPFL's campus, giving a perfect setting for companies and students to meet. Every year, we thrive to improve our services, taking into account satisfaction surveys and comments from previous years.

 **Figures of the year 2025**

**188** registered companies

**133** registered start-ups

**18** registered NGO/IGO

**12** workshops organized

**20** interview rooms

**23'500** visitors during the week

**75** company presentations

**182** individual stands

**99%** company satisfaction

### **ISO 14001, Environmental Management Systems - Certified in 2009 and recertified in 2024**

Since 2009, the “Forum Responsible” project expresses our concern over environmental issues. The Forum EPFL is the first event of its kind to be carbon neutral and ISO 14001 certified.

### **ISO 9001, Quality Management Systems - Certified in 2013 and recertified in 2024**

In 2013, the Forum EPFL became one of the first events of its kind to be ISO 9001 certified in Europe. Following an audit by the Swiss Association for Quality Systems (SQS), an internationally recognized body, the Forum has been granted this certification, which acknowledges the quality of the organisation of the event.

Its process of quality management can meet the growing demands of companies by optimizing the transmission of know-how from year to year. Therefore, the ISO 9001 guarantees the professionalism of the Forum EPFL.

*Certificates ISO*

Before you modulate your registration to the different services offered by the Forum EPFL, you must first subscribe to the mandatory basic registration.

- from September 1: the basic registration fee plus the total amount due for reserved services.

## Support our “Responsible Forum” project for a zero carbon emission event.

During your registration, you will have the opportunity to subscribe to the «Responsible Forum» option. It will get you involved in our project of compensating our ecological impact.

This year, we have chosen to support environmental protection by donating part of our proceeds to the Association for the Protection of Lake Geneva, contributing to the preservation of the lake and its ecosystem.

Lake Geneva is a vital ecosystem that requires continuous protection to preserve its biodiversity and water quality.

By supporting the “Responsible Forum” option, you contribute to initiatives led by the ASL to protect Lake Geneva. In recognition of your commitment, a flower and the “Responsible Forum” logo will be displayed at your stand.
