THE EPFL, A PRESTIGIOUS UNIVERSITY

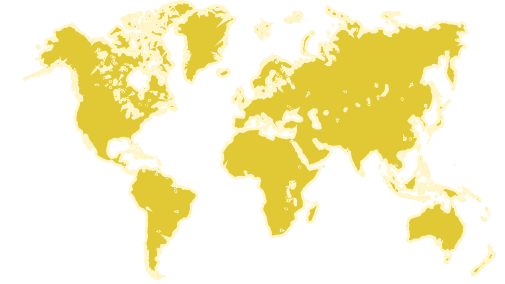

One of the best technical universities in Europe (10th worldwide at the QS World University Ranking 2025)

High quality education in all the engineering fields

More than 11'000 students

An international school with 120 different nationalities represented and more than 50% of foreign students

EPFL Campus - Lausanne, Switzerland

THE FORUM EPFL

In October 2026, the Forum EPFL will celebrate its 44st anniversary and remains one of the biggest job fairs in Europe, improving its services on a yearly basis. The Forum's goal is to facilitate the students' transition between studies and the labor market by offering companies a privileged window to present themselves to the students.

Quality and professionalism are fundamental pillars that drive the 20 committee members to provide services worthy of the Forum EPFL. Once again, the Forum EPFL will take place at the SwissTech Convention Center (STCC), an ultra-modern convention center located in the center of EPFL's campus, giving a perfect setting for companies and students to meet. Every year, we thrive to improve our services, taking into account satisfaction surveys and comments from previous years.

Figures of the year 2025

188 registered companies

133 registered start-ups

18 registered NGO/IGO

12 workshops organized

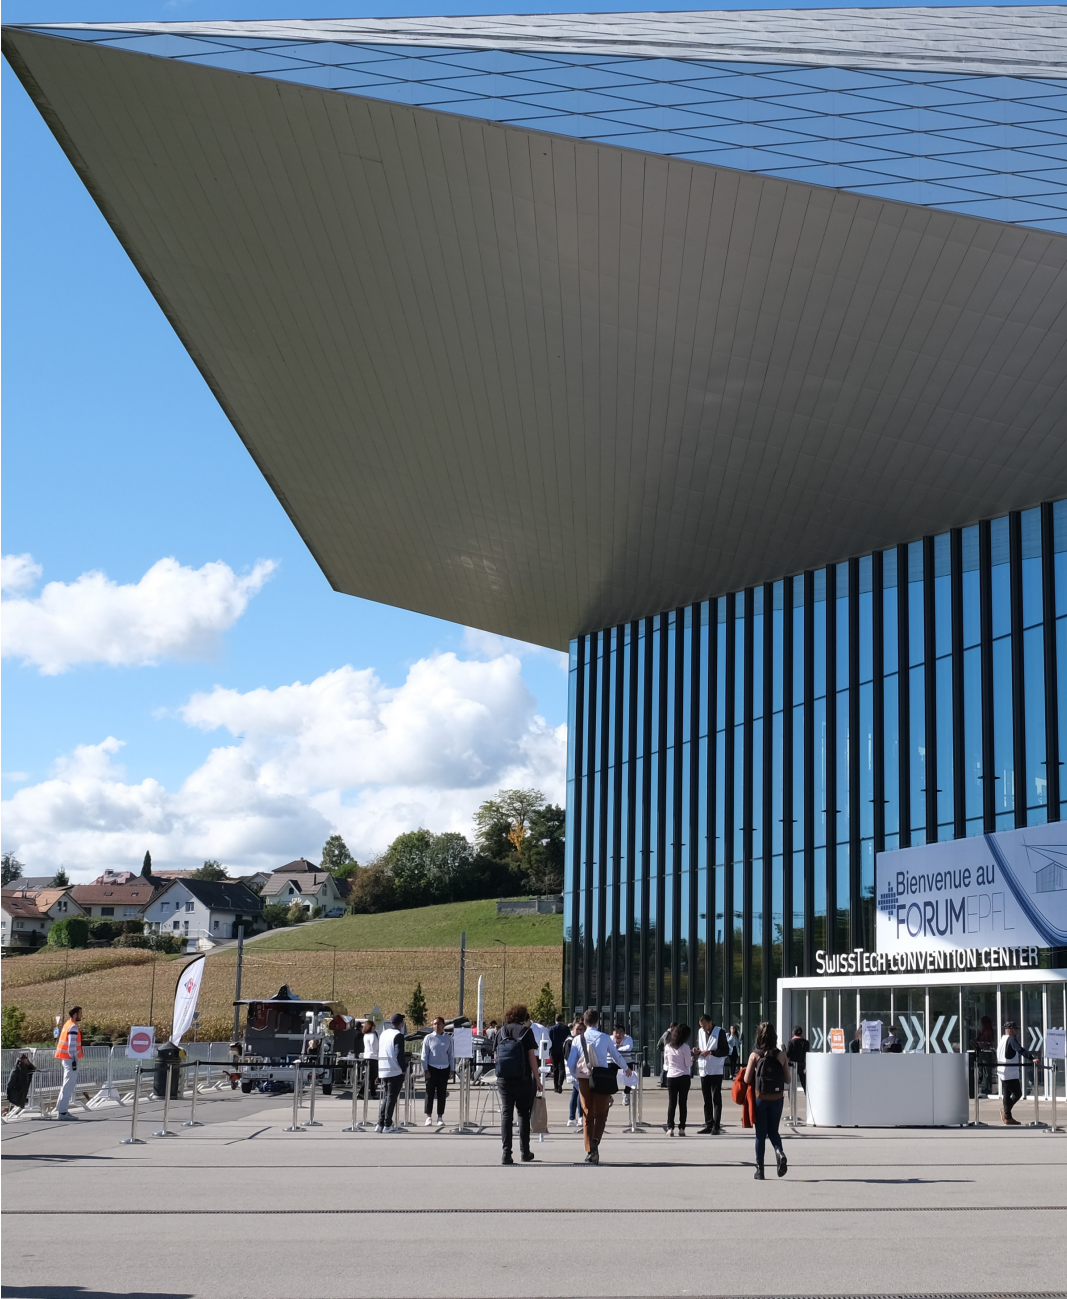

20 interview rooms

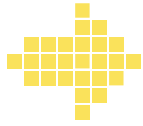

23'500 visitors during the week

75 company presentations

182 individual stands

99% company satisfaction

CERTIFICATIONS AND NORMS

ISO 14001, Environmental Management Systems - *Certified in 2009 and recertified in 2024*

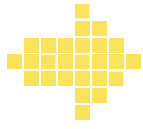

Since 2009, the “Forum Responsible” project expresses our concern over environmental issues. The Forum EPFL is the first event of its kind to be carbon neutral and ISO 14001 certified.

ISO 9001, Quality Management Systems - *Certified in 2013 and recertified in 2024*

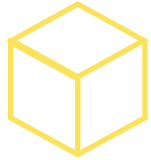

In 2013, the Forum EPFL became one of the first events of its kind to be ISO 9001 certified in Europe. Following an audit by the Swiss Association for Quality Systems (SQS), an internationally recognised body, the Forum was granted this certification, which acknowledges the quality of the organisation of the event. Its process of quality management can meet the growing demands of companies by optimizing the transmission of know-how from year to year. Therefore the ISO 9001 guarantees the professionalism of the Forum EPFL.

REGISTRATION - START-UP DAY 2026

The registration includes:

A 4m² stand made of white composite panels (2.5m x 0.98m) with the name of your start-up, lighting and power supply.

Access to the Entrepreneurs' Breakfast.
Access to the Garden cafeteria, which offers many refreshments, coffee, tea and pastries.

A tab in our Pocket Campus, the official EPFL application, which will group together your Start-Up's information and indicate the location of your stand.

Lunch boxes (maximum 2) distributed at your stand.

Access to the Networking Cocktail.

A table and two chairs.

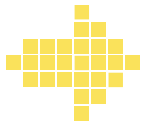

Free access to Wi-Fi at the STCC.

PRICE OF THE ENROLMENT*:

Until 31st July 2026

CHF 200.-

N.B.: To be able to register to the Start-Up Day, your start-up has to employ less than 50 people and be created less than 7 years ago. However, even if your start-up does not fulfill the above-mentioned criteria, we may still take into consideration your desire to be part of our fair. So please do not hesitate to contact us ([p.14](#)) so that we can find an agreement.

CV LIBRARY

You have the possibility to access our CV library, a database containing CVs of all students enrolled in the Forum EPFL (over 3'062 CVs in 2025).

If you are interested in our CV library, please do not hesitate to contact us at the following address :

forum@epfl.ch

Our team will be glad to give you more details.

Support our “Responsible Forum” project for a zero carbon emission

During your registration, you will have the opportunity to subscribe to the «Responsible Forum» option. It will get you involved in our project of compensating our ecological impact.

This year, we have chosen to support environmental protection by donating part of our proceeds to the Association for the Protection of Lake Geneva, contributing to the preservation of the lake and its ecosystem.

Lake Geneva is a vital ecosystem that requires continuous protection to preserve its biodiversity and water quality.

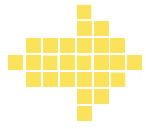

By supporting the “Responsible Forum” option, you contribute to initiatives led by the ASL to protect Lake Geneva. In recognition of your commitment, a flower and the “Responsible Forum” logo will be displayed at your stand.

CONTRIBUTION* : «Responsible Forum»

Chf 50.-

TO JOIN US
